

Guidelines for Participation
in the 10th Thailand National Sports University International Conference
19-21 June 2021

.....

The Number of Accepted Papers

1. The oral presentation papers are from three faculties, each of which comprises twenty papers. The total number of them is sixty.
2. The poster presentation papers are from three faculties, each of which comprises thirty papers. The total number of them is ninety.

Consideration and Acceptance of Papers

1. The submitted papers must be in accordance with the format given by Thailand National Sports University (TNSU). If any papers are not complied with the given format, they shall not be considered by the conference committee.
2. The submitted papers shall not be published anywhere in any other conferences and journals.
3. The abstracts of the submitted papers are requested to send via the website: www.tnsuconference.com.
4. The conference committee shall pass the abstracts of submitted papers to the faculties in order to select the papers that serve the theme or topics of the conference.
5. After the abstracts are selected by the faculties, TNSU shall inform the authors of the selected ones to submit the full and original papers via the website: www.tnsuconference.com.
6. The conference committee shall send the full and original papers to a panel of two experts for academic accuracy and content quality review.
7. In case that the full and original papers are approved by both experts, TNSU shall send their recommendations to the authors for any revision or addition.
8. In case that the full and original papers are not approved by both experts, TNSU shall send the letter of rejection to inform the authors.
9. The authors must submit the corrected full papers to TNSU again, and TNSU shall send the letter of acceptance back to the authors for preparation of presentation in the conference.
10. The oral presentation or poster presentation papers shall be taken into consideration of a panel of experts.
11. The letters of acceptance or rejection shall be sent by TNSU to the authors via their registered email address.

Presentation of Papers

1. The presentation must be done by the author himself. In case of more than one author (co-authors), the only one is required to present the paper and the others are requested to be participants.
2. The oral presentation takes twenty minutes totally (fifteen minutes for presentation section and five minutes for question and answer section).
3. The poster presentation must be conducted on the first day of the conference. (The author must present his or her poster on the first day, especially during the opening ceremony for the poster presentation).
4. In case that any author is not available to present his or her paper in the conference,
 - 4.1 TNSU shall not put his or her paper into E-Proceedings for publication.
 - 4.2 TNSU shall reserve the right to refuse his or her paper in the next year conference.
